

# Local sales & use tax rates and changes

Washington State Dept. of Revenue

Effective July 1 - Sep 30, 2018

## Local sales/use tax changes

(Effective July 1, 2018)

### City of Grand Coulee

Sales and use tax within the City of Grand Coulee will increase two-tenths of one percent (.002). The tax will be used for transportation services.

### City of Olympia

Sales and use tax within the City of Olympia will increase one-tenth of one percent (.001). The tax will be used for housing and related services.

## How do I find local sales tax rates and codes?

Use our Tax Rate Lookup tool to know how much sales tax to charge your customers. All you need is the physical address or zip+4 of your business location or ship-to address. You will receive the local sales tax rate, corresponding local tax code, and a confirmation number.

We also offer a mobile version of this tool for download on both iOS and Android platforms. You can find the tool at [dor.wa.gov/TaxRateLookup](http://dor.wa.gov/TaxRateLookup).

## What do I do with collected sales tax?

We recommend that retailers:

- Set up a separate bank account and deposit your collected sales tax into this account. That way, you have the funds available when your tax return is due.
- Make it a habit to physically separate retail sales tax from other business revenues, if you aren't able to open a separate bank account.
- Contact us and request to change how often you file (we call this "filing frequency"). You can change from quarterly to monthly, for example. This lessens your burden of managing your collected sales tax (held in trust), because it increases how often you send in that amount.

## Changes for marketplace facilitators, remote sellers and referrers

Beginning January 1, 2018, marketplace facilitators and remote sellers with sales of \$10,000 or more to Washington consumers must either:

- Collect sales/use tax on sales to Washington consumers
- Follow the specific notice and reporting requirements explained on the Department's website at [dor.wa.gov/marketplacefairness](http://dor.wa.gov/marketplacefairness)

### What is a marketplace facilitator?

Generally, a marketplace facilitator contracts with sellers to facilitate sales of a seller's product through a physical or electronic marketplace.

### What is a remote seller?

Generally, a remote seller is a seller who does not have a physical presence in Washington and makes retail sales into Washington.

### What is a referrer?

- Contracts or otherwise agrees with a seller to list or advertise one or more items for sale in any medium, including a web site or catalog
- Receives payment from the seller for the listing or advertisement
- Transfers a purchaser to a seller or an affiliated person to complete the sale
- Does not collect receipts from the purchasers for the transaction
- Does not provide the marketplace seller's shipping terms
- Does not advertise whether a marketplace seller charges sales tax

The definition of "referrer" does not include a person that:

- Prints or publishes a newspaper (RCW 82.04.214)
- Provides internet advertising services

There are substantial penalty provisions associated with the failure to comply with the legislation EHB 2163, Chapter 28, Laws of 2017, Parts II and III.

### Questions?

For more information, see our Marketplace Fairness webpage at [dor.wa.gov/marketplacefairness](http://dor.wa.gov/marketplacefairness).
